

Waste Management Centre Tours

Service Description

Glenorchy City Council provides the opportunity for primary and high school students to experience the daily operations of Jackson Street Waste Management Centre. This guided bus tour takes approximately one hour and covers the recycling drop off depot, the Recovery Shop, the Landfill Gas Plant and designated areas of the landfill. Disembarking from the bus is prohibited for most of the tour due to the industrial nature of the landfill. An education package will be provided by your tour guide.

How to use this Service

Tours of Council's Landfill and Resource Shop can be organised for schools and community groups by contacting the Environmental Health Office on 6216 6797.
