
STORMWATER CONNECTION REQUEST FORM

To:

Applicant details:

Name:
 Postal address:
 Phone No:

 Email address:

Property Details:

Street Address:
 (Where connection is required)

Date of application:
 Date requested for installation (kerbside connection only):

Is this connection associated with an existing or new Development Application?

Yes Planning Permit Number:
 Building Permit Number:
 No

Note for Office Use Only:

Please forward this form to the Surveying and Engineering Assistant for processing.

Service Required:

- Council to Provide Kerb Connection - Note: The Stormwater Kerb Connection Installation Fee is to be paid in full prior to Council commencing the works.
- Developer to Install Connection to Council's Underground Main or Pit - Note: The Stormwater Underground Connection Inspection Fee is to be paid in full and Council must be contacted to inspect the works prior to backfill.

1. Is there an existing stormwater connection? Yes No Unsure

2. If Yes, what is the reason for a second connection point or replacing the existing connection(s):

Note: Only one stormwater service per lot is allowed unless exceptional circumstances exist (refer to Council's Stormwater Management Policy).

3. Is the Work to be carried out or partially carried out within the Road Reserve?

 Yes No

If Yes, a Road Opening Permit shall be obtained prior to the commence of the work. Please visit Council's website for further information: <https://www.gcc.tas.gov.au/services/works/digging/>

4. Provide an approved engineering plan showing the proposed connection point .

Note: Council may need to change or amend the location based on ground conditions and other limiting factors.

Office use only

Terms and conditions

- 1) The stormwater connection is to be constructed in accordance with the Local Government Association of Tasmania's (LGAT) Standard Drawings and relevant Australian Standards and Guidelines.
- 2) For kerb connections, the Stormwater Kerb Connection Installation Fee is to be paid in full prior to Council commencing the works
- 3) For underground connections, the Stormwater Underground Connection Inspection Fee is to be paid in full and Council must be contacted to inspect the works prior to completion
- 4) A minimum of fourteen (14) days' notice must be provided to Council's Stormwater Coordinator on 03 6216 6800 to arrange the construction of the stormwater kerb connection
- 5) A minimum of three (3) business-day notice must be provided by the Applicant to Council's Survey and Engineering Assistant on 03 6216 6800 to arrange for the underground connection inspection prior to completion.
- 6) Any alternations or works performed on Council's stormwater system must remain uncovered until the completion of the inspection. If there is failure to provide notification in advance or to expose the connection for the visual inspection, Council may choose to expose the connection(s) and reinstate after the inspection at full cost to the applicant.
- 7) If the stormwater connection provided is not to the satisfaction of Council, the Applicant must rectify the connection at their cost. If the Applicant does not rectify the connection, Council has the right to rectify the connection at the Applicant's cost.
- 8) The applicant is responsible for obtaining all required approvals from other relevant authorities, including any environmental permit or clearances that may be required under applicable legislation, as well as any Council policies that have relevance.
- 9) On completion of the works the site must be returned to its original condition to the satisfaction of Council.
- 10) All costs associated with and any claims from the public arising from any failure of the works, failure of associated infrastructure due to the works or tracking of debris over public roads, will be the responsibility of the applicant.
- 11) The Applicant is to be responsible for locating of all services prior to any works within the road reservation and is to be responsible for any costs, claims, proceedings and demands, should any service be damaged as a result of this work.
- 12) The applicant will indemnify and keep indemnified the Glenorchy City Council, its servants and agents and each of them from and against all actions, costs, proceedings, charges, expenses, penalties, demands and damages whatsoever which may be brought or made or claimed by whomsoever against them, or any of them, arising out of, or in respect of the approved proposal and the works undertaken under this application.

Please note that no works are to/will be commenced until all outstanding fees have been paid and the necessary Council approval has been received.

By signing this form, the applicant acknowledges and provides full acceptance of the terms and conditions above.
