

VENUE HIRE INFORMATION 2022-23

MAC has a range of purpose-built creative spaces designed for diverse arts and cultural activities. MAC welcomes proposals that use one or multiple spaces.

Please contact us to discuss your event's requirements. Presentation partnerships and long-term hires are also available by negotiation. The following information is valid at the time of publication in July 2022.

MAC's Operations Officer, Andrew Clark
E: andrew.clark@gcc.tas.gov.au
P: (03) 6216 6398

All MAC spaces have:

- Access to WIFI
- Significant capacity to support digital and screen-based activity
- Hearing loops built into our main public spaces

Community Silent Disco April 2022

Performance/Screen Studio – 17.6m x 9.6m

The Performance/Screen Studio is the largest and most flexible of MAC's spaces. There is no fixed staging and no permanent seating banks. A default end staging configuration can seat up to 130 people. An unseated informal musical event, opening onto the foyer and internal courtyard could cater for up to 200 people.

The space is equipped to support everything from a small film festival, an aerial circus workshop or an intimate music concert. The space can operate in natural daylight or full black out. The Studio has an in-house audio system, full LED stage lighting across a ceiling grid, and projection capacity. Full technical specifications available on request.

Hire - \$393.40 per day. Technical & Front of House Staff charged by the hour.
Box Office split hires available by negotiation.

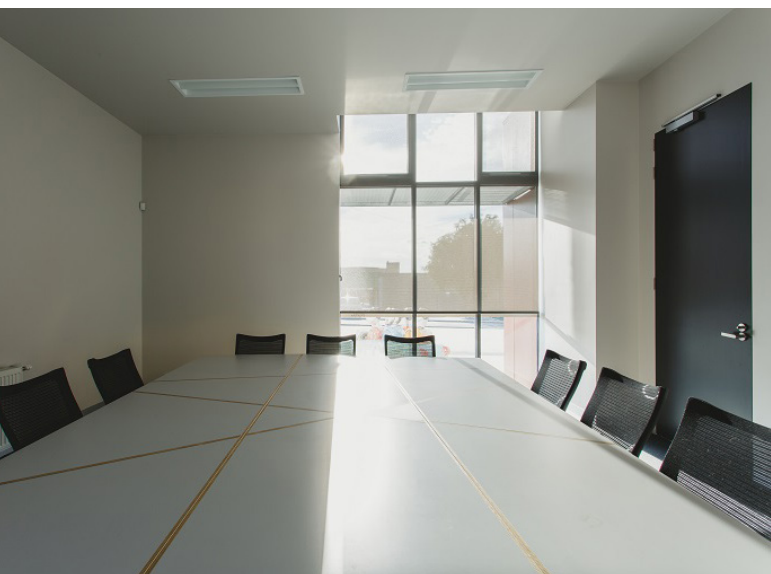

Makers Workshop – 9.8m x 6.8m

The Makers Workshop is available for practical classes and workshop activities, with a particular focus on visual arts, craft, and digital workshop activity. This light and airy space features glass doors opening onto an internal courtyard enabling inside/outside activities. There is also ready access to a kitchenette. The Makers Workshop can accommodate six large worktables.

Additional features include a ceiling mounted overhead projector, whiteboards, and a large sink unit for wet activities.

The number of people that this space will comfortably accommodate depends on the nature of your activity and table setup.

Hire - \$311.30 per day. Subsidised rates available for Art Organisations and Community Groups.

Meeting Room – 5.6m x 5.1m

The Meeting Room is a comfortable, flexible and contemporary space for local businesses to hold formal or informal meetings. This sunny, north-facing room contains a large boardroom table and is equipped with a ceiling mounted overhead projector and drop-down projector screen. The room may also be reconfigured to operate as a temporary production office or training/small seminar room.

Hire - \$202.60 per day. Subsidised rates available for Art Organisations and Community Groups and weekly hires.
