DEFINITIONS

Payer means a person or business who is responsible for the payment of Rates and/or Fees and Charges charged by Glenorchy City Council. This may be the owner of the property or could also be a person renting the property if the rental agreement requires that person to pay the Rates.

Fees and Charges includes dog registration fees, various application fees (excluding facility hire fees), fines and other Council charges that do not appear on the Rates Notice.

POLICY STATEMENT

Introduction

Council invokes Rates, Fees and Charges to ensure that it can provide services to the community and comply with its obligations as the local government for the Glenorchy City under the Act. However, Council recognises that sometimes a person's personal financial circumstances mean that it is appropriate for Council to grant that person relief from the payment of Rates, Fees and Charges.

In determining when it is appropriate to grant relief from payment of Rates, Fees and Charges, Council must balance the requirement to raise enough revenue to provide services to the community with its need and desire to show compassion to its community members and ensure that everyone can access Council's services, irrespective of their financial position.

Who does this policy apply to?

This Policy applies to a person or business who is responsible for the payment of Rates, Fees and Charges (the **Payer**) who has made an application for assistance under this Policy.

What is 'genuine financial hardship'?

To be eligible to receive assistance under this policy the Payer must be experiencing 'genuine financial hardship'.

'Genuine financial hardship' is when the Payer is genuinely unable to pay their bills or meet other financial obligations. The Payer will not be in genuine financial hardship if it is simply inconvenient for them to pay their Rates, Fees or Charges or other bills.

Council will only consider granting relief under this policy to the Payer who is found to be suffering genuine financial hardship.

What are 'Rates'?

Under this policy, a Payer who is responsible for the payment of Rates can apply for relief from the payment of 'Rates'.

The term 'Rates' under this policy means any charge that appears on a Rates notice. This includes:

- general rates (the 'cents in the dollar' amount charged for a property),
- the service charges that Council levies to pay for garbage, recycling and FOGO bin collection, and
- any interest or penalties that Council can charge if the Rates are not paid on time (including any costs that Council would charge for the recovery of overdue rates).

What are Council Fees and Charges?

A Payer who is responsible for the payment of Fees and Charges can apply for relief from paying such fees and / or charges such as dog registration fees, application fees, fines or other Council charges that do not appear on Rates Notices.

The types of help that Council can give

A Payer of Council Rates who believes they are suffering genuine financial hardship can apply to Council for either:

- deferral of the payment of Rates (i.e. paying Rates after they would normally be due)
- waiver of Rates, in-part (i.e. not being required to pay some of the Rates bill), or
- waiver of interest, penalties and legal charges invoiced in respect of a Rates bill, in-part or in-full (i.e. not being required to pay any extra fees that Council may have charged for the Rates not being paid on time).

A Payer responsible for Council Rates can apply for one or more of the above types of relief when making an application.

A Payer of Council Fees and/or Charges who believes they are suffering genuine financial hardship can apply to Council for:

- deferral of the payment of the Fees and Charges after they would normally be due,
- waiver of interest, penalties and legal Fees and Charges, in-part or in-full (i.e. not being required to pay any extra fees that Council may have charged for the Fees and Charges not being paid on time).

A Payer responsible for payment of Fees and Charges can apply for one or more of the above types of relief when making an application.

How to make an application

The Payer seeking relief under this Policy can apply to Council by completing an application form and describing why they are in genuine financial hardship.

The application form will be available on Council's website (www.gcc.tas.gov.au) and will also be able to be collected in person from Council's Chambers.

The forms can be submitted to Council by email (to gccmail@gcc.tas.gov.au) or can be given to our Customer Service Staff at Council's Chambers.

Council staff will contact the applicant once an application is received to advise how long it will take to assess, and if there is any other information required.

Evidence of genuine financial hardship

If a person makes an application for relief under this policy, Council may ask the person to provide evidence that they are suffering from genuine financial hardship.

Evidence that Council may ask for may include:

- documents which show that the Payer responsible for the payment of Rates, Fees and Charges has sought help from a financial counsellor (such as a receipt from a booking with a financial counsellor),
- a statutory declaration from an someone who is familiar with the Payer's circumstances (family doctor, bank officer etc), or
- bank statements, medical certificates, or other documentary evidence that demonstrates the circumstances that have caused or are symptomatic of the Payer's genuine financial hardship.

If Council staff need more evidence to support an application by the Payer, they will explain exactly what they require and why they need it to decide an application.

How will applications be decided by Council

When deciding whether to approve an application under this policy, Council officers will consider:

- the information about the Payer's financial circumstances that has been provided on the application form,
- any supporting evidence that has provided by the applicant, and
- any other relevant information or circumstances.

Decisions are to be assessed against a set of guidelines, to be approved by the General Manager.

Council may refer an application to for assessment by an independent accredited financial counsellor if it deems this to be necessary.

Who makes decisions?

Decisions on applications for the deferral or waiver of Rates, fines and charges or the write-off of interest and legal charges are to be made by:

- for amounts less than \$2,500 – Council’s Chief Financial Officer, and
- for amounts over \$2,500 – Council’s Director Corporate Services.

The above decisions are subject to the General Manager’s endorsement in accordance with s.22(2) *Local Government Act 1993*.

What happens if an application is approved?

If an application for relief under this policy is approved, it will be valid for a period of 12 months.

At the end of the 12 months, a new application will need to be submitted which will need to show that the person or business who is responsible for the payment of Rates, Fees and Charges is still suffering from genuine financial hardship.

Help with applications

Council staff will make every effort to assist a person who wishes to make an application to complete the application form and provide any information that is required for the application to be decided.

Background

Council recognises that some members of its community (such as the vulnerable or disadvantaged) may suffer from hardship or otherwise have other circumstances which make it difficult to pay Rates, Fees and Charges.

Council intends to be compassionate and work with its vulnerable community members to ensure that they are not further disadvantaged because of their Rates, Fees or Charges obligations. A policy is required to ensure the consistent application of principles to determine when it is appropriate to grant relief from Rates, Fees or Charges to a person suffering genuine financial hardship.
